

*BODHRÁN HAIKU BY ZOUKI-SAN*

On the Goats' Planet  
Your ugly sister-in-law  
Might soon be rhythm

Clappers are blameless:  
Brains, ears, hands of the drummers  
Incapable, yes

Not gentle the throb  
Causing cracks in the concrete:  
Drum class visits pub

Learning not required!  
Drum via Fed Ex today  
Session tomorrow!

Nine drums, maybe ten  
Not one keeping the same time -  
The Migraine Session

Good bodhrán player  
Feels eyes painfully moisten  
At flute player's jibes

Wise musician says:  
Best way to play a bodhrán  
Is with a pen-knife
