

RECENTLY INCORPORATED CAPE COD BUSINESSES NOT LIKELY TO BE AROUND TOO LONG

Ever supportive of the entrepreneurial spirit of my fellow Cape Codders, I thought it my duty to bring the following list of recently incorporated businesses to your attention.

Where the proprietors have provided a catchy slogan or description of their business, I have included same (so you can't claim you "weren't warned").

Note that this list is for information purposes only and does not constitute an endorsement of these services by me or the publishers. (For full disclaimer purposes, however it should be noted that I can be bought fairly cheaply, and of course advertising revenues are always important to a media entity. Need I say more?)

Please remember to patronize these and other local businesses. After all, they are our friends and neighbors, and isn't that what life is about anyway?
