

## Katie Farrell's

*L.Mallette (Houston)*  
file ID: mvbt2/107katie

A composition of Houston flute player and session stalwart Larry Mallette. He was nice enough to let me include this one and a few others in MVBT-1. Since then I have added more of his music to the webABC site. Larry's tunes are definitely worth a look and listen, and his CDs are first-class productions as well.
