The ride along the south bank of the Shannon from Limerick west to Tarbert is a lovely one. We did it on a fine sunny day a number of years ago and were very impressed. There wasn't too much traffic on the road either, which is always nice when you're travelling in an area where you might want to stop and take a few pictures (we did). UPDATE: I added "Bank" to the title after I cam across another tune named "South of the Shannon".
