

## The Boy Genius (reel)

© BB  
file ID bbm/031boy\_g

G Am G G F B $\flat$  Dm

G Am G G Am D G

G F G Am G F

G F G F D G

The original inspiration for this tune (and a few more in this collection) was the movie 'Amadeus', probably my all-time favorite. In my not-so-humble opinion, every musician should see it (even if you're not crazy about classical music).
