The image shows a musical score for the piece 'Chicken in the Bucket'. It consists of four staves of music in G major (one sharp) and 6/8 time. The notes are written in a treble clef. Above the notes, chord symbols are provided for each measure. The first staff has chords: G, Am, G, C, G, Em, D. The second staff has: G, Am, G, C, D, G, D7, G. The third staff has: Em, Am, Em, D, C, Am, D. The fourth staff has: G, Am, D, C, G, Am, D, G. The piece ends with a double bar line and repeat dots.

Our piper friend Colin Everett showed up for a gig on Martha's Vineyard with a huge bucket of Kentucky Fried Chicken plus all the trimmings. He explained that since the locals on MV aren't crazy about fast-food chains, his in-laws who live there asked him to 'import' some KFC from the mainland. Being a dutiful son-in-law, he did so, but handling a pipe case and a load of fried chicken on the ferry was more of a challenge than he thought! (We offered to help, but I don't think he trusted us with the chicken.)
