The image shows a musical score for a polka in D major, 2/4 time. It consists of six staves of music. The first staff has four measures with chords D, Bm, D, and Bm. The second staff has six measures with chords D, Bm, Em, D, A, and D. The third staff has five measures with chords A, A, A, G, and E. The fourth staff has five measures with chords A, A, D, G, and D. The fifth staff has five measures with chords D, D, A, G, and A. The sixth staff has five measures with chords D, D, A, D, and D. The music is written in a simple, rhythmic style typical of a polka.

There's a very long story that goes with this tune involving musicians interacting with a cow - a Kerry cow, as a matter of fact. I'd be happy to share the details with anyone interested! Anyone? ANYONE??
