Deering is the Chicago police station where Chief Francis O'Neill was in charge for many years. Jimmy Thornton, Al Purcell, and I tried to find it the last time I was in Chicago, but it appears that the Chief's police station is no longer there (or is no longer a police station, I forget which). The cops at the "new" Deering Station were very nice to us but I don't think they ever really understood what we were looking for (and why)!
