# Home to Mullach

Mullach is a little town north of Miltown Malbay on the Clare coast. I was honored to be part of a session there a while back. I'll always remember the seamless transition from 'Humors of Tulla' into 'The Soldier's Song' (the Irish national anthem) after the local gárda stopped in around 1 a.m. to suggest - very politely but firmly - that we all might want to think about packing our tools away and returning to our respective dwellings. We did so without a word of complaint.
