

A Jig for Willie

© BB
file ID bbmg/142jig_w

The image shows a musical score for 'A Jig for Willie' in 6/8 time. It consists of four staves of music. The first two staves are in the key of E major (one sharp), and the last two staves are in the key of G minor (two flats). The score includes various chords such as Em, Bm, G, D7, C, Am, F, and Dm. The music is written in a simple, rhythmic style characteristic of a jig.

Composed for Willie Kelly of New Jersey's fiddling Kelly brothers (Joe - now Father Francis - is the older one). They're both fine musicians and terrific guys, and we're privileged to consider the Kelly family as friends.
