file ID bbmg/171liberties

Named for the oldest and truest section of Dublin, the area around Christ Church and Patrick's Cathedral. You can't say you've been in Dublin unless you've spent time in the Liberties. Brendan Behan was born on the other side of the river (God help him) but used to spend most of his time (and money) drinking with the people of the Liberties, who loved him as much as he loved them.
