The image shows a musical score for the piece 'New England Summer'. It consists of four staves of music, each with a treble clef and a 6/8 time signature. The melody is written in a single line on each staff, with guitar chords indicated above the notes. The chords are: Am, G, Am, G, D, C (Staff 1); Am, G, C, G, Am, C, Em, Am (Staff 2); C, G, Am, Em, Am, D, G (Staff 3); Am, Em, G, C, Am, G, Am (Staff 4). The piece ends with a double bar line and repeat dots.

This tune sounds nicer played at a slower tempo, which I hope will be suggestive of the lazy days of Summer in this part of the world ('crazy' might actually be more accurate, since the population of the Cape triples in July and August!)
