The image shows a musical score for the reel "Patriot Sunday". It consists of four staves of music in G major (one sharp) and 4/4 time. The notes are written in a treble clef. Above the notes are chord symbols: D, D, C, Am, D, D, C, G, D, A, D, D, G, D, C, Am7, D, G, D, C, G, D, A, D. The score includes various musical notations such as slurs, accents, and repeat signs.

Most of New England's population - including musicians, unless they're in the middle of a gig - is glued to the television on Sundays during football season. We're watching the Patriots, winners of (to date) five Super Bowls. Probably the best team in NFL history with the best QB and coach. Long may the Patriots reign!
