I'd like to think that there are actually musicians out there in the world crazy enough to try playing this little gem. (By the way, a pooka [púca] is a sort of mischievous sprite from Irish folklore. I've known a few in my life and they're really not a bad sort if you know how to handle them.)

Update, sort of: This is the hyper-revised version of this tune. Feel free to move on to the next entry - I won't be insulted.
