The musical score consists of four staves of music in 6/8 time. The first staff has chords C, Am7, C, Em7, C, and Am. The second staff has chords C, Am7, Dm, Am, Em, and Am. The third staff has chords C, Am, G, Am, Em7, and Am. The fourth staff has chords C, Dm, C, G, Am, G, Em, and Am. The music is written in a simple, folk-like style with eighth and quarter notes.

Yet further evidence (as if any were needed by now) of just how desperate I can get in the search for tune names. This was inspired by an article in the local paper about animal rescues, one of which involved an owl that had somehow or other gotten tangled in a car's roof-rack. Unfortunately no details were provided, so it was left to our collective imaginations to figure out how the poor bird got itself into such a predicament. Anyway the wayward owl was freed, so the story ended happily (and I got a tune title).
