On the way to the CCE North American convention in Syracuse, NY, in April '93, a bus loaded with Boston musicians and dancers broke down somewhere along the Mass Pike. While waiting for another bus, they decided to start a few sets in the parking lot - why waste time? I'm sure the truckers who saw us are still talking about it. The one state trooper who stopped to investigate decided to keep driving - too many lunatics for one guy to handle on his own, and anyway we looked pretty harmless).
