At the 2016 Cape Cod Ceili Weekend the Northeast Ceili Band was joined onstage by Kieran Flanagan, Rosemary and Mike's keyboard-playing son. It was a great treat to have such a fine young musician playing with us. I composed this tune to commemorate the occasion. I sincerely hope we get to have Kieran onstage with us again in the near future!

Update: he played with again in 2017 and he's now an official NECB band member! And by the 2018 weekend he had become the recipient of a prestigious college scholarship!! We all wish him the best (but hope he's close enough to join us at the 2019 CCCW).
