O'Neill's note on this tune from WSGM:

```
% This jig, a variant of the much more diversified "Yellow Wattle"
% [No.353 in O'Neill's Dance Music of Ireland], was sent to me by
% Prof. P.D. Reilly, a famous dancing master of "London and
% Castle Island", with the notation:
%
%     "This simple jig was a noted favorite among the two last
%     generations, and quite good enough for the present
%     when well played."
