

Frank Roche's Favourite (hornpipe)

file ID: mvbt2/042frank_r

simplified version

last time

From Matt Molloy's "Stoney Steps" (1987). This tune is in the Roche Collection (2.285, webABC folder [roche/roche.2](#)) as "John Roche's Favorite". Matt plays this at a set-dance speed with heavy strathspey accents. In the ABC file I have provided both a simplified version and the "florid" version for those players who would like to try their hands at duplicating Matt's version. [I have however omitted the "cut time" (e.g. A>B, C>D)].
