

## A Harsh February (reel)

*Phil Cunningham  
file ID: mvbt2/085harsh*

This was transcribed from the playing of box player Johnny Cunningham (RIP) on the "Squeeze" CD. The tune is so cheerful and happy that the name doesn't really seem to suit it. I don't know if this is an original composition of Johnny's or not. (Thanks to Clareman Tommy Kierce for first introducing me to this tune at one of the Malachy's sessions ~1994).
