

## The Hole in the Coat

The late Boston fiddler Larry Reynolds played this catchy "gan ainm" jig for us at a festival here on Cape Cod in the early 1990's. Later he was telling us about an East Galway IRA man named Malachy Brennan, who when ambushed by the Black and Tans miraculously escaped injury to himself but took a number of shots to his good overcoat. Suddenly the jig "gan ainm" had a name!
