

The Curragh Races

reel

3

3

"In former O'Neill publications John McFadden's setting of this reel was given preference, being in the florid style of that famous traditional fiddler. The version here presented memorized from liltling by the editor in schoolboy days, may not be devoid of interest especially as the arrangement is suited to the scales of the Highland or Irish warpipes."

X:37

T: Curragh Races, Thw

B: WSGM.268

F: file ID wsgm/037curr

S: F.O'Neill

Z: Kinder/Black

N: This tune is usually played in Am today.
